# Katuri

**provides transport in  
sparsely populated areas and  
urban areas**

ENG

The transport service is a form of public transport available to everyone in the City of Nurmee and Valimo town areas. Anyone can order a Katuri ride for running errands. Katuri rides are operated based on orders, from your front door or an agreed location to the destination and back. The transport service is intended for people of all ages. The vehicles are wheelchair accessible.

### **During the COVID-19 pandemic, please use Katuri only when healthy**

If you have any flu symptoms, we recommend that you avoid using Katuri completely. If you need to get to a health centre while you are sick, for example, please try to use other modes of transport besides Katuri.

**Children under the age of 12 and those over the age of 75 get two one-way journeys a day for free.** Please be prepared to verify your age by showing your ID card or other approved ID document to the driver. (For example, if you depart from Sivakka, go to the Valtimo urban area and continue from there to Nurmee, this would count as a single one-way journey.)

Fares (as of 1 August 2019): Each journey must be paid for separately to the operator.

<b>Maximum travel distance in km</b>	<b>Fare</b>
7	EUR 4.00
12	EUR 4.60
20	EUR 6.20
30	EUR 7.50
40	EUR 8.90
over 40	EUR 10.00

### **How to order a ride**

You can order rides Monday to Friday between 7:00 and 18:00 (contact details below). You can schedule a return ride with the driver or by calling.

Please order your ride at least three hours in advance (sparsely populated areas) or two hours in advance (Nurmee urban area). Morning rides must be ordered on the previous day.

When ordering, please provide your name, your pick-up address, your destination and the desired time. Remember to also provide your phone number.

Be sure to also indicate how many persons you need a ride for and whether the passengers have any special needs that the driver needs to take into account (e.g. wheelchair customer, visual impairment).

Please be at the pick-up address at the agreed-upon time.
